Dear Reverend Auer,

On behalf of the Oregon Senate, I would like to thank you for delivering an inspirational invocation on February 9, 2009.

We appreciate your willingness to come and participate in the opening ceremonies of the Oregon Senate. The invocation has long been a tradition in the Senate and we were honored to have you as a distinguished guest to continue this tradition in our chamber. We hope that you might be interested in returning in the future.

Respectfully,

Peter Courtney
President of the Senate
