Dear Fellow Oregonians:

One year ago, April 19, 2008, Reverend Aaron Auer and Reverend John Sutton commemorated the placing of "The Circuit Rider Preacher"— actually placed April 14, 1924. Thus, the co-founders of ROAR, began the process of Reviving Oregon's Amazing Roots.

The proclamation signed that day is evidence of my commitment to the Christian faith both in spirit and action.

Now in the 150<sup>th</sup> year of Oregon's statehood, Aaron Auer and John Sutton will be visiting every county seat to proclaim the historical significance of the Christian faith in the founding of Oregon. Their research and amazing discoveries should excite all Oregonians.

We are so in need of revival in our land. Can this circuit ride around Oregon be a spark for Reviving Oregon's Amazing Roots?

I pray that it may be so. God says, "if my people who are called by my name will humble themselves and pray, and seek my face and turn from their wicked ways, then I will hear from heaven, forgive their sins and heal their land" IIChron. 7:14

Blessings,

Senator Charles Starr, Retired.
